## OUR BASEBALL LEAGUE, IN ANNUAL MEETING.

LETTER FROM A MAN WHO HAS BEEN ON INSIDE FOR YEARS.

Says the "Kams" Have Always Made Trouble—The Present Collision—Unknown Club Looking Up.

The Unknown Baseball Club met Thursday evening. Captain Clark resigned his office in the club and J. A. Thompson was elected to succeed him. Tom Pryce and Chris Willis, formerly of the Athletics, were taken in as members. A game between the Unknowns and Philadelphias will be played Saturday afternoon. The following letter on the baseball muddle is of interest, being from a man who has closely followed the subject for many years:

EDITOR STAR: The Baseball League of 1895 was organized on March 16th, with the following clubs: Honolulu Amateur Athletic Association, J. A. Thompson, captain; Star, John Ganzel, captain; Unknown, George Clark, captain. The Kamehamehas, who were members of the league, but sent no representative. The captains of the new league were appointed a committee to prepare a schedule of games. Before the committee had reported, on April 2, the Kamehameha Alumni Association, practically the old Kamehameha team, applied for admission to the league, and intimated that if they were not admitted they would organize an opposition league to play on the old baseball grounds, which was in the line suggested by a letter signed by Professor Richards of the Kamehameha school published in a city paper. The application was opposed by Captain Thompson of the Athletic Club on the ground that four of the players of the Kamehameha nine had agreed to play with him, and had joined the Athletic Association for that purpose. If these players should be admitted to the league his nine would be broken up, and it would be impossible for him to play a nine. The meeting was adjourned to the 10th, no action having been taken. At this meeting the Kamehamehas were admitted to the league, which necessitated the withdrawal of the Athletics, as nearly half of their men had been admitted to the league as members of the Kamehameha Alumni. After the meeting it was said that the Kamehamehas proposed to Captain Thompson that he and certain of his players should join their nine, practically a case of the tail wagging the dog. If tactics of this kind are to prevail in amateur sports here, it is time that supporters of legitimate athletics should show their disapproval. The league has used every effort to secure four clubs this season, but it has never been a possibility. A league of three clubs, evenly matched, was formed, and at the last moment has been knocked into by the action of the Kamehameha Alumni. There has been no question of opposing the admission of the Kamehamehas. The point was whether they should take four players from a regular nine of the league, breaking up the same and debarring several popular players, merely to take a nine with the Kamehameha name should play ball this season. A reference to the files of Honolulu papers as far back as April, 1889, will show that the Kamehamehas have always insisted upon the league being governed according to their wishes. As a rule other clubs have sacrificed their rights to the whims of that club rather than have them carry out their threats to withdraw from the league if their demands were not acceded to. The Kamehamehas have been carried around on a feather pillow ever since they entered the league. There has been no harm in this fawning, but when the tactics of this club tend to discredit fair and honest baseball it is time that a halt is called.

FAIR PLAY.

Like a Holiday.

There were services at the Catholic and Episcopal churches for Good Friday. A number of stores and most of the Government offices were closed. The customs people had to do business and the Finance office was open till 10 o'clock.

Nothing Strange.

Intelligent people, who realize the important part the blood holds in keeping the body in a normal condition, find nothing strange in the number of diseases Hood's Sarsaparilla is able to cure. So many troubles result from impure blood, the best way to treat them is through the blood. Hood's Sarsaparilla vitalizes the blood.

Hood's Pills are the best after dinner pills, assist digestion, prevent constipation.

Hermansen Held.

The case of Albert Hermansen, charged with killing old man Maia, was heard in the District Court yesterday. Witnesses for the prosecution were Captain Scott, J. R. Mills, Dr. Cooper and Emilia Kaleiomalama. Dr. Cooper stated that from his examination he should say death resulted from a nervous shock affecting vital organs. The defense offered no evidence whereupon the case was committed to the Circuit Court. Bail \$1,500.

## IN WHEELING CIRCLES.

A COUPLE OF RACES FOR JUNE 11 ARE SUGGESTED.

Novel Contest in Prospect—Bicycling on the Coast—San Francisco's Room.

Wheelmen are anxious to have a couple of bicycle races in connection with the horse races at Kapiolani Park on June 11th. They would like to have a mile and a five-mile race. An interesting idea in connection with the latter is advanced. There would of course be five laps in the race. In place of deciding upon the distance, it is proposed to make it a majority of the laps. Under the old plan a five-mile race is interesting only on the last quarter. The new plan will make every round practically a race within itself. It is hoped the horsemen will consider the wishes of the cyclists.

Harry Wooten, the Rambler agent, was able to bring only a very few machines back from the coast with him. He says the San Francisco people are now simply bicycle mad. Wheeling has become more than a fad with the ladies and the factories cannot meet the demand for first-class wheels. So soon as the expected arrival of a consignment is known all are ordered. Mr. Wooten tells of seeing twenty-five Ramlers go in one morning. The Honolulu dealer was entertained by Mr. Varney, the coast representative for the Rambler. Mr. Wooten visited the Olympia Club, saw the new home trainers and the finest gymnasium and best athletic grounds in the city. Mr. Wooten accompanied Mr. Varney to San Jose, where the Rambler record-breaking racers are in training.

Mr. Walker, the Cleveland agent, is looking forward to a good season. He has some new wheels and the best of recommendations from the States and from local riders.

G. West has received six Falcons. This is the wheel Otto Zeigler is riding this year.

Six hot baths for \$1 at J. Ashworth's model barber shop, No. 80 King street.

At the Hotel.

The French dinner, music and dancing attracted a large number of people to the Hawaiian Hotel last evening. The house was full of guests, most of them late arrivals, and they seemed to enjoy the pleasures of the evening greatly. For nearly three hours the dining hall was crowded with people. Up to 7:30 o'clock the Quintette Club played and sang on the veranda. Then the Government band gave a concert on the grounds, lasting until about 9:30. During this time the place was comfortably crowded. Dancing on the lanai was kept up until quite late.

G. H. Mumm & Co. Ahead.

The following list shows the importations of champagne into the United States for the years 1888 and 1889; by which it will be seen that Mumm & Company's Extra Dry is far in the lead of all other brands, as taken from the official statistics of the New York custom house:

Brand. Cases. 1888. 1889.

G. H. Mumm & Co. Ex. Dry. 121,721 90,774

Comptey & Gress. 1,620 20,014

Moet & Chandon. 1,620 20,014

Wm. Wolters, of Hackfeld & Co., leaves for the United States this week on a business trip. He will go across the continent to New York.

On account of the unexpected call of Mr. Martin Smith to his home in California the visit of the Egan family to the Coast has been indefinitely postponed.

American League.

An adjourned regular meeting of the American League is called for 7:30 this evening. Important business. Per order.

T. P. SEVERIN, Secretary.

HOODLUMS.

A New Class That Will Receive Police Attention.

There's an element of young hoodlums in town who are very annoying in their manners and behavior in public places. They should be dealt with by the police. Mr. Jas. Steiner of the Elite Ice Cream Parlors has lately had some experience with that class of individuals. In his efforts to conduct the Elite Ice Cream Parlors in a quiet and respectable way, he has earned the opposition of that class of people.

The Marshal has promised Mr. Steiner assistance and with the liberal reward offered today there is no doubt but some of these hoodlums will soon find some amusement on the reef.

## IMMIGRANTS ALL GONE.

THE LAST OF THE PORTUGUESE LEAVE FOR PLANTATIONS.

Go On the Kinai—Various Destinations—Quarantine Station Vacant—Once More.

The Kinai this afternoon took the last of the Portuguese immigrants from the Quarantine Station. There were 185 in all, men, women and children. Of this number 29 go to the Hilo Sugar Company, 29 to Kohala, 68 to Onomea, 45 to Waiakea and 11 to Hawaii. They were taken aboard shortly after noon and go as deck passengers. This leaves the quarantine station vacant once more. It has been occupied by incoming laborers for more than a month. Some of the guards have not had time to visit their homes during the whole period. Jack Macveigh returned to town this morning, feeling like a Rip Van Winkle. He has once more taken his post at the board of health office. C. J. Whitney, the elocutionist, is still there, but will return to the city this afternoon. The several batches of laborers were handled very satisfactorily and received prompt dispatch to the plantations.

Col. Ashford Ill.

V. V. Ashford is quite ill this afternoon, and it is feared he will not be able to leave tomorrow. His sickness seems to be intermittent, and the present attack is the worst he has had in three or four months. The authorities have decided to remove him to the Queen's Hospital where he can receive better attention than the prison hospital affords. He will be taken there this afternoon. Mr. Ashford's pardon, signed by the President, will likely arrive by the Mikahala tomorrow.

DEPARTURES.

Japanese and Wife Quit Service Without Notice.

John Emmeluth is mourning the loss of a Japanese servant who had contracted to stick to him faithfully for three years. The Jap and his wife were both working for Mr. Emmeluth. They deserted together and without notice. Detective Toma went in pursuit and arrested the woman last night. She is in the Station house charged with deserting contract service. The man, it is learned, is on Maui. He took time by the forelock and skipped out three days ago. He will be brought back and returned to work.

Knight Templar Service.

Rev. D. P. Birnie will deliver an address at the service of Honolulu Commandery No. 1, K. T., at Central Union Church at 3 o'clock Sunday afternoon. The public is invited to attend.

MAKING MISCHIEF.

Damaging Property and Open Theft on Main.

Passengers down School and Nuuanu streets this morning were treated to the spectacle of disordered gates, barber poles, etc. The work was evidently that of young men who possess crude ideas of humor. Two barber poles were found in Nuuanu stream. They had been taken from near No. 4 engine house. A gate was near the corner of School, and further up on School street the mischief was even greater. Several gates were taken away and others injured. This following the loss of chairs from the residence of P. C. Jones will give the young men something more serious than they thought of to explain.

A SILENCE.

Police Officer David Kapaa captured a distilling outfit near Cape Horn Thursday afternoon. The liquor was a kind of rice beer made from the fermented grain. A Chinese woman was arrested with the outfit.

Tom Mearns, one of the prison guards at Onomea, has been sick.

The postoffice was closed this afternoon on account of Good Friday.

Mail for the Australia will close at 3 p.m. tomorrow. The parcels post department will close an hour earlier.

Chas. Achi is preparing a fine residence and lawn at his new property on the Kamehameha IV. Road, Kalihi.

THE EVOLUTION.

Of medical agents is gradually relegating the old-time herbs, pills, draughts and vegetable extracts to the rear and bringing into general use the pleasant and effective liquid laxative, Syrup of Figs. To get the true remedy see that it is manufactured by the California Fig Syrup Co. only. For sale by all leading druggists.
